

Q: According to Attachment B Price List, brand name FOGO is specified for the supplied diesel generators. Could you possibly clarify, if alternative brand model of diesel generators may be proposed in this solicitation?

A: Yes, CCI can accept proposals with alternative brand models of diesel generators if they are full analogue in terms of characteristics and certifications.

Q: We have downloaded the tender documentation, however appreciate to receive further technical details (catalog pages) for the items listed in the Attachment B , in order to be able to propose the correct corresponding product

A: We do not provide catalogue pages. Please refer to publicly available characteristics for each requested model.

Q: Can we submit partial proposal with 1-3 items covered in the Price list?

A: Only proposals with full specifications will be accepted by CCI.
