

REQUEST FOR PROPOSAL

FOR PREPARATION OF TECHNICAL LAND MANAGEMENT DOCUMENTS

I. CONTEXT

Expertise France is the French public international cooperation agency. It designs and implements projects which aim to contribute to the balanced development of partner countries, in line with the Sustainable Development Goals (SDGs) of the 2030 Agenda and the priorities of France's external action. Expertise France's mission is to meet the demand of partner countries seeking to enhance the quality of their public policies in order to address the environmental, social, economic and security challenges they are facing. The agency achieves this goal by implementing projects in the main areas of public action:

- Democratic, economic and financial governance;
- Stability, international security and peace
- Sustainable development, climate and agriculture
- Health and human development.
