PROJECT**

I. CONTEXT

Expertise France is the French public international cooperation agency. It designs and implements projects which aim to contribute to the balanced development of partner countries, in line with the Sustainable Development Goals (SDGs) of the 2030 Agenda and the priorities of France's external action. Expertise France's mission is to meet the demand of partner countries seeking to enhance the quality of their public policies in order to address the environmental, social, economic and security challenges they are facing. The agency achieves this goal by implementing projects in the main areas of public action:

- Democratic, economic and financial governance;
- Stability, international security and peace
- Sustainable development, climate and agriculture
- Health and human development

The REHAB project – Recovery, rEform, and reHABilitation of the Ukrainian Health System is a project funded by French Development Bank (AFD), in the amount of €5 million over 24 months.

General objective: Supporting Ukraine in financing, maintaining and strengthening its healthcare system to address the consequences of the conflict on the physical and mental health of Ukrainians.

- OS1 : Strengthen the provision of mental health and physical rehabilitation services within the healthcare pyramid by implementing reforms, providing training, supplying equipment, and rehabilitating healthcare facilities.
- OS2 : Leverage gender-sensitive feasibility studies to improve access to health financing, supporting the long-term recovery of municipalities and regions in Ukraine.
